One additional detail about ground transportation for the Mayor; Infraconsult had arranged the airport to hotel (on Monday) and from hotel back to the airport (on Wednesday) transportation for the Mayor. Please inform the Mayor to look out for the driver with the sign at the airport exit when he arrives in Toronto, and to meet the driver in the hotel lobby at 6:00AM on Wednesday. Trudi should be at the lobby if she plans to catch the ride with the Mayor.
